Letter from the EDITOR

Witty commentary served in a freshly poured glass of "Egg Naugus"!

Hello, fellow Sonic fans!

Looks like the mad doctor is ready for an exquisite comeback with all of his **Egg Bosses**! Some of these guys look familiar, but what's with these new faces in the ranks? More will be revealed next issue! For now, let's take a look at the wonderfully wicked stars of this issue: **Walter and Wendy Naugus**!

Last we saw Walter, he was running with his tail between his legs (see *STH vol.1: Countdown to Chaos*)! Now he's back with some new tricks up his claw! Wally's sister Wendy is here to cause trouble too!

BELOW: The new design for **Walter "Wally" Naugus.** Note the addition of his troll tail and how he looks more like a warlock with his hat and cloak.

VINCENT LOVALLO - MAY 2015

Some super fans may recognize Wendy as **"Witchcart"** from the game *Tails' Skypatrol*, released on the **Sega Game Gear** back in 1995! Boy, do I feel old... Anyway, check out the new designs Ian and I whipped up!

Hope you're all enjoying "Eggman's Dozen" so far! Next time we'll take a closer look at Wendy's strange trio of minions, **The Witchcarters**! See ya then!

Dear 'My Sonic Universe,'
First, I'd like to write about a few things! Congratulations to Evan Stanley and Tracy Yardley on "The Silver Age". It was EPIC!!!!

Wasn't it though? We'll pass along your praise to both Sonic comic artist alumni! I'm sure they'll be thrilled to know that their hard work was duly appreciated!

Could we have some more appearances (Ooh, or maybe an SU arc) of the Hooligans? Bean, Bark and Nack have not shown up in any stories since the Champions arc in StH. Well, they sort of starred in 'The Great Chaos Caper' but that was Knuckles' arc!

The Hooligans will be making a very important appearance in the Sonic comics soon! What they'll be doing, however, is strictly TIP-TOP SECRET...

Also, I have some questions. Question 1: Will we see Team Dark in the near future?

Let's ask our magic eight-ball! What say you, magic eight-ball?

ALL SIGNS POINT TO YES.

Question 2: Are there any more Echidnas left beside Knuckles?

Let's ask our magic eight-ball! What say you, magic eight-ball?

OUTLOOK HAZY. ASK AGAIN LATER.

Question 3: How exactly did "Worlds Unite" end? I'm a little confused.

Let's ask our magic eight-ball! What say you, magic eight-ball?

SPOILERS AHEAD—XANDER USED HIS MECHANICAL EYE, BOOSTED BY THE MASTER ENGINE, TO OPEN A TIME PORTAL INTO THE PAST, SHOOTING SIGMA IN HIS ORIGINAL VIRUS FORM AND DESTROYING HIM BEFORE HIS PLAN COULD BEGIN, THUS MAKING IT SO WORLDS UNITE NEVER "HAPPENED." ONLY SONIC, MEGA MAN, EGGMAN, WILY AND STICKS (VAGUELY) REMEMBER THAT SOMETHING HAPPENED. ALL WORLDS AND THEIR RESPECTIVE CHARACTERS WERE RESTORED BACK TO NORMAL.

Golly gee-whillikers, that's... uh... very... weirdly descriptive, magic eight-ball.

ALL SIGNS SAY "NUTS TO YOU, FELLA."

Can I be Tails' #1 and the Hooligans' #1 fan?
Callum S. sent to
Sonic@ArchieComics.com

Honestly, I'd ask the magic eight-ball, Callum... but I'm scared it might get snarky at me again. Thanks for writing us though!

Dear 'My Sonic Universe,'
I just want you all to know that I enjoy your comics. Thank you for making them, and I hope you to continue the Sonic greatness!

Thank you very much, friend!

Can you tell me how Snively became a GUN agent?

I'm sorry but that GUN information is top secret and classified! But, I'm very certain that it'll be declassified some day...

I noticed that Evan Stanley was writing the story to the newest Silver Saga in *Sonic Universe*. Will she be writing the *Sonic Universe* Comics from now on, or will the story script return to the hands of Ian Flynn?

Evan was our guest writer for the Silver arc. Ian Flynn returns to Sonic Universe penning the exploits of Eggman and his brand new Egg Bosses this very issue!

Has there been any Sonic video game made by SEGA (that you know of, of course) that has featured a character that was only from the comics?

You can find cameos of the Freedom Fighters in their earliest designs (along with Scratch) in the bonus stages of Sonic Spinball!

That's all for now. Keep on juicin'!
